CURRICULUM VITAE OF NDIRAMIYE Igor Jean-Luc

My career goals:

I would like to work in an organization where I can use my qualifications in Electronics and Programming. I aim to become a developers and data analyzer (database) within 3-7 years. The job I am applying for is a good opportunity for me to work actively and productively in my field of expertise and apply my skills. My aim is to make a difference in my work-place through my contribution and to touch the lives of my co-workers through my positive attitude. I am a self-starter and have excellent interpersonal and conflict-management skills.
